Only one candidate for state representative will fight for you to keep more of your hard-earned money and protect our community.

WAYNE FAIRCLOTH

REPUBLICAN FOR STATE REPRESENTATIVE DISTRICT 23

WAYNE FAIRCLOTH

★ **Jobs and Growth:** Wayne knows how to work with – and is respected by – the University of Texas Medical Branch and our energy industries. Wayne has put himself in positions to make a difference, like serving as president of the Galveston County water board.

★ **Education:** Former public school teacher who supports local control and giving parents and students more flexibility to prepare for the future.

★ **Immigration:** Understands that illegal immigration is taking a toll on our schools, hospitals, and will dedicate the necessary resources to securing our border.

★ **Taxes and Spending:** Pledges to keep Texas budget balanced and keep our Rainy Day Fund strong without raising taxes.

★ **Obamacare:** Against Obamacare because it hurts families through higher rates, is a government takeover of healthcare, harms UTMB.

★ **2nd Amendment Rights:** Has earned the highest rating possible from the NRA.

ENDORSED BY:

Larry Taylor, Dr. Greg Bonnen, Randy Weber, Texas Municipal Police Association, Texans for Lawsuit Reform, the Realtors, Doctors, Homebuilders, both U.S. Senators and many, many more local people.

SUSAN CRISS

- **Jobs and Growth**: 80% of Criss' campaign contributions have come from personal injury trial lawyers. Criss has said the Texas personal injury lawyers (the people financing her campaign) can "count on her" to vote their job-killing agenda, which consistently tries to reverse the lawsuit reforms that doctors and small businesses support.
- **Education:** Suggested we drain our state's Rainy Day Fund for education spending, leaving us vulnerable in case of another hurricane or other emergency. *Galveston County Daily News 08/10/2014*
- **Immigration:** Favors diverting more state resources to immigrants who enter our country illegally, even though we are now spending more than $1.3 million per week on National Guard Troops to protect your tax dollars and make our communities safer. *Galveston County Daily News 07/06/2014*
- **Taxes and Spending:** Says that raising taxes on businesses is one of her top priorities. *Galveston County Daily News Campaign Forum 02/10/2014*
- **Obamacare:** Supports Obamacare and opposes efforts to stop the federal government from taking over Texas health care.
- **2nd Amendment Rights:** Advocates more background checks on gun owners. *Galveston Daily News 08/31/2014*
