

To: Deputy Carl Lee Pittman  
Detective Bureau, Burglary and Theft

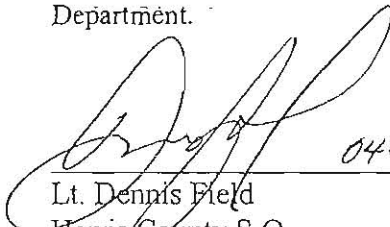

Subject: Polygraph Examination in Connection with Internal Affairs Division Case  
No. 08-0052-0303

Under authority of Chapter 614, Texas Government Code, Subchapter E, specifically Section 614.063 (e), you are hereby ordered to submit without further delay to a polygraph examination in connection with the administrative investigation designated as Internal Affairs Division Case No. 08-0052-0303.

Based on information provided to me, I have determined that the circumstances made the basis for this investigation are extraordinary, and that your integrity (as well as that of the Department) is in question, to wit:

On April 1, 2008, you provided a statement to the Internal Affairs Division. Points of information contained within your statement are inconsistent with information learned in this investigation from other sources.

It is on this basis that I order Carl Lee Pittman to submit to a polygraph examination. Upon receipt of this order you are to report to the Internal Affairs Division where you will be given instructions concerning your polygraph examination and the date and time when it is to be administered. You are further cautioned that your failure to comply with my order will be grounds for discipline, up to and including termination of your employment with the Sheriff's Department.

Houston, Texas 77027

## POLYGRAPH EXAMINATION REPORT

SUBJECT: Pittman, Carl Age: 43 DOB: 08/05/63 CASE#: 08-00520303

CLIENT: Harris County Sheriff's Office  
Internal Affairs Department

### EXAMINATION METHOD:

The Air Force Mixed General Question Test Technique (AFMGQT) was utilized on the examination along with the Axciton Computerized Polygraph Instrument.

### STATEMENT OF FACT:

The case information was submitted by HCSO Sandoval, Chris. According to the case details, the subject has been accused of slapping his wife in her face, and holding her down and punching her in the rib.

During the pre-test phase of the interview, the subject stated these allegations were never made. He claims at one time his wife gave up custody of her child. She is very emotional messed up over it. He claims he was not as sensitive as he should have been. The child was very violent and out of control, being the reason for letting the child go to live with his father.

The subject claims that two ladies his wife works with were at church with a deputy. These ladies feel that he has been hitting his wife. The ladies told the Deputy at the church who in turn informs his supervisor at the Sheriff's Office.

Deputy Pittman maintains that he has never hit his wife.

CLIENT: Harris County Sheriff's Office  
Internal Affairs Department

### EXAMINATION METHOD:

The Air Force Mixed General Question Test Technique (AFMGQT) was utilized on the examination along with the Axciton Computerized Polygraph Instrument.

### STATEMENT OF FACT:

The case information was submitted by HCSO Sandoval, Chris. According to the case details, the subject has been accused of slapping his wife in her face, and holding her down and punching her in the rib.

During the pre-test phase of the interview, the subject stated these allegations were never made. He claims at one time his wife gave up custody of her child. She is very emotional messed up over it. He claims he was not as sensitive as he should have been. The child was very violent and out of control, being the reason for letting the child go to live with his father.

The subject claims that two ladies his wife works with were at church with a deputy. These ladies feel that he has been hitting his wife. The ladies told the Deputy at the church who in turn informs his supervisor at the Sheriff's Office.

Deputy Pittman maintains that he has never hit his wife.

EXAMINATION  
CRITERIA:

The following relevant questions were asked of the subject. The subject's verbal response follows each question in quotation marks.

1. DID YOU STRIKE YOUR WIFE IN HER FACE? "NO"
2. DID YOU STRIKE YOUR WIFE IN HER RIBS? "NO"

EXAMINATION  
RESULTS:

After careful analysis of the subject's polygrams, it is my professional opinion that there were Deceptive Criteria present. The subject is considered to be untruthful as the listed relevant questions were answered.

If you should have any questions or require additional information, please do not hesitate to contact me directly.
