Alhamdulillah, yesterday at Maryam Masjid, we hosted a press conference in collaboration with other Muslim organizations and the local Law Enforcement agencies. The main purpose of the press conference was to stand united with our local law enforcement agencies and send a strong message that:

- We condemn the cowardly acts in San Bernadino, California that caused 14 innocent people to lose their lives and 22 others to be injured.
- Any acts of extremism by either individual or group is not justified in Islam.
- We are a part of the Greater Houston community which is also our home and we will protect this community
- We will not tolerate any type of radical ideology and will report any such activities to the appropriate authorities.

The event was a huge success Mashallah. It was attended by several distinguished speakers and guests who stood united in their message. The guests included:
