RE: Support for Greens at Brentford/Fort Bend County, TDHCA #14148

Dear Chairman Oxer:

I would like to express my support for the Greens at Brentford application for the competitive housing tax credit (HTC) in House District 28. Local officials have expressed that this development is greatly needed in the area, and that it is a necessary improvement that will benefit many area families.

I am pleased to lend my support for this development. Thank you for the opportunity to provide feedback in this matter. Should you require additional information or have any questions, please contact my Capitol office at (512)463-0657.

Sincerely,

A handwritten signature in black ink that reads "John Zerwas".
